

CONTRACTOR HEALTH and SAFETY AGREEMENT

THIS AGREEMENT is made between _____
 (the "Contractor") and Rassaun Services Inc. (the "Company"), and is valid for one year
 from the date it is signed. The parties covenant and agree as follows:

1. The Contractor shall employ only orderly, trained, competent and skillful people to do the work and the Contractor's employees shall be fully covered under the Workplace Safety and Insurance Act (Ontario) The Contractor shall provide an up-to-date Clearance Certificate from the Workplace Safety and Insurance Board, and proof of liability insurance, where applicable.
2. The Contractor shall provide all necessary safety equipment, including personal protective equipment, as required for the safe execution of work.
3. The Contractor and all representatives agree to follow all of the Company's Rules and Procedures.
4. The Contractor shall, at its own expense, obtain and maintain in good standing all permits and licenses required by any authorities having jurisdiction over the business of the Contractor. The Contractor shall also comply with all federal, provincial and municipal governmental laws and regulations which are applicable to its business, and in particular, those affecting health and safety, workers' compensation and environmental matters.
5. The Contractor shall make certain that all equipment to be used at the work-site meets government requirements and is safe to operate.
6. The Contractor shall provide material safety data sheets for all chemicals and Controlled Products that are brought on premises.
7. The Contractor and representatives further agree to:
 - Use or wear protective equipment or clothing as required;
 - Lock and tag out the power supply to equipment, machinery or process in accordance with the applicable legislation.
 - Not use the Company's equipment without prior approval;
 - Report any accident or property damage to the Company;
 - Investigate and provide copies of the investigation of any accidents that occur with the Contractor's representatives while on Company premises;
 - Will not start work on any project until management authorization is given; and
 - Will leave the workplace in a clean and orderly fashion with all garbage and debris removed.
8. If compliance with any of the above undertakings is not followed, the Contractor understands that the Company may force the Contractor and representatives to leave the premises until compliance can be achieved. Such action by the Company will in no way increase the cost of the contract with the Company.
